Social Media

This illustration is the result of a collaboration, where I managed the social media content — from crafting the captions to publishing the post.

GOLDEN
THE
TIGER

Golden the Tiger is a creative brand I co-founded in 2023 with a partner. It features Goldie, a Sumatran tiger character, through illustrations and merchandise such as keychains, stickers, and wallpapers. I manage the brand's visual content and social media, combining creativity with appreciation for Indonesia's unique wildlife.
